

## Company Profile

### History

AML-Atlantis Management Ltd was founded with a passionate and determined spirit to drive one mission, to offer an exceptional quality service while providing the right solutions for our customers in the maritime industry. Established in 2002, AML is situated in Ta' Xbiex, Malta, just opposite the yacht marina.

### Industry experience

With over 30 years' experience, our team at AML can assist with various maritime advisory services through our combined knowledge in ship management, maritime technical roles, crew management and seafaring, finance and audit. We deliver tailor-made solutions for all our clients' needs and everything we do is provided directly through our own 24hr advisors who have a strong knowledge of the vessels.

We pride ourselves in the high level of service which we have been offering our clients through our MLC 2006, Seafarer Recruitment Placement Services Certification obtained through Lloyd's Register and our Company Service Provider licence issued by the Malta Financial Services Authority.

### Services

Customer satisfaction is our primary goal, and this is achieved through our reliable, efficient and cost-effective service. Thanks to our highly qualified and experienced staff who are very well conversant with maritime regulations and by our understanding of our client's expectations and requirements, we ensure that those needs are met through the highest standard of service. Our dedication, industry knowledge, and global connections with reliable partners make us the perfect partner for any of your projects.

At AML over the years our services have grown in line with the needs of our clients. Our approach to delivering an outstanding service is founded on our belief in being an extension to your business. Your challenge becomes our challenge; equally personal and significant.

Our services cover a multiple of disciplines. We offer solutions from securing the right crew to vessels, importation of yachts and managing yacht leasing structures, registering all types of vessels under the Malta flag, husbandry agency services, corporate services and accounting.

## Malta Flag Registration

The Malta Flag needs no introduction as it is the flag of choice by many owners. The passionate team of experts in AML's registration department, some of whom have a seafaring background, give owners a value-added and personalised service through their deep technical knowledge of the industry.

AML handles the registration of all types of vessels including mortgage registration for all types of private or commercial yachts and merchant vessels.

## Corporate Services

Certified as a Corporate Services Provider and licensed under MFSA, AML offers full corporate services from company formation including a registered address, audit and the liquidation of companies.

## Book-keeping and Accounting

Through our team of qualified accountants and auditors we offer bookkeeping and accounting services including budget preparation, management accounts, cash flow management, tax and vat compliance and assistance with financial audits.

## Yachting

AML provides solutions to yacht owners who have acquired or are in the process of acquiring a yacht including importation procedures, leasing structures and Malta Flag yacht registration.

AML also offers crew services for yachts including the issuance of MLC crew contracts, crew payroll, enrolment of crew under Malta's social security system and crew certification.

## Crew Management

AML supplies qualified and experienced crew as per STCW regulations. With our partners in Europe and Asia, we provide tailor-made and reliable crew management services for merchant vessels.
